Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Dear Doug:

Thank you for your letter of 23 December.

The Piper Colt I used to own was a 1960 vintage. I have flown the Cherokee also. Great planes. The Colt was like a big kite. Landed with a quiet swoosh instead of the bucket of bolts sound of metal planes.

Betty and I took a boat trip from Seattle up the ocean to Valdez and back down the inner passage to Seattle with stops along the way in the summer of 1987. It was a great trip, but we did not get far inland. Just short bus trips from several ports to see glaciers and sled dog demonstrations.

Yes, Jane Buchanan is your cousin. She was a member in 1981. She is not my relative on the Buchanan side. Jane was born in Alaska. She dropped her membership. I do not know where she is now.

Enclosed is the updated draft of your family entry. Many thanks for your cooperation. My best to you and Pat for the New Year. Keep up the good work in that fabulous country.

Dear Merwyn,

Thank you for your December 13th letter. Sorry I forgot the school. An updated copy is enclosed.

I am flying a 1966 PA-28-180 Piper Cherokee on wheels. There are many aircraft in Alaska with pontoons but most of my work is off gravel strips. I do have the bigger tires on it because of the soft runways I use. When were you in Alaska? Where did you visit? Back in 1978 in Talkeetna, AK we met a Jane Buchanan. Is she a relative you know?

Have a Blessed Christmas

Sincerely,

Doug

Dear Cousins:

Thank you for you recent letter giving me an update on your family entry.

I appeciate your help with my typos. What I send out is truly a rough draft. It is best that people write their own entries or correct what I have in file.

There is just one question. You, Patricia, were awarded a degree in History in 1973 but you did not state from which college you received it.

Doug, I am an ex-pilot. Had a Piper Colt - 1961 vintage- and flew it until I had a heart attack and had to quit. I am curious as to the type of plane you fly. Guess it is a Cessna equipped with pontoons. That was the type I saw when I visited Alaska.

My best to you both in the New Year doing your good works.

Sincerely,

Dear Mr. Buchanan,

Concerning the publication of Volume III, a recent letter requested that confirmation by family heads be sent in promptly.

I'm not sure if I have updated our entry or checked it for errors. Would it be possible for me to verify our entry for Volume III? And update it?

I have noticed an error in Volume I p. 895. It gives the birthdate of Frances Randolph Fisher Dec. 17, 1922. Correction: she was born on Dec. 28, 1924.

This error is repeated in Volume II, page 288. I do not know if there are other entries for Frances Randolph Fisher which give the incorrect birthdate.

Looking forward to reading Volume III. Thank you for the tremendous effort put forth.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

Best regards,

Dear Mike:

Received your letter of August 8th. Ms. Taylor is not associated with our organization. Her book is not a genealogy; nor does it claim to be. It is a listing of living Merwins and she makes no attempt to say they are related in any way.

Our annual reunion is held in June. You did, as you say, miss it this year. If you send me a check for $5.00 annual dues payable to Miles Merwin Assn, I'll sign you up as a member. You will then receive our newsletter, Milestones, three times a year and be up-to-date on our doings. We'll also send you a members' address list and our association booklet.

Blue Bell is five miles Northwest of city line. If you are going to be in center city, you could come out by train or car. Perhaps you will be at the plant on Erie Avenue? At any rate, call me on 646-0231 after 5 PM or 628-1621 during business hours and I'll tell you how to get here. Betty and I would be most pleased to have you visit our home.

Sincerely,

Merwyn

Dear Merwyn:

Enclosed is a letter which I received about two weeks ago. The letter is self-explanatory.

Is the book that Ms Taylor speaks of, authentic? Is she associated in any way with the Miles Merwin Association, Inc.?

I'm interested, naturally, in the material if it proves to be reliable. Please write to let me know what you find.

All is well with my family. I haven't received any news for some time from the association. When is the annual reunion? I'm speculating that I've missed it already. To whom do I write for membership information?

I apologize for all the question. Thankyou for your help.

Sincerely,

Michael Merwin

P.S. I will be in Philadelphia in October. Is Blue Bell close enough to warrant a visit?

Dear Friend,

I have been doing some work for people who have the same last name as you do. Finally, after months of work, my new book, THE AMAZING STORY OF THE MERWINS IN AMERICA, is ready for printing and you are in it.

The Merwin name is very rare and my research has shown that less than one one-thousandth of one percent of the people in America share the Merwin name. I have spent months of work and thousands of dollars to research through 70 million families and I have located almost every Merwin family in the United States. My new book includes this valuable and extensive directory of Merwins living in America.

In addition to the Merwin family directory, my book has other interesting and informative chapters on:

1. How the Merwin family got its name and what it means.
2. Important but little known facts about the Merwin population in the United States.
3. Why and how the first Merwin was granted his Coat of Arms.
4. An expert interpretation and drawing of the Merwin Coat of Arms which ancient archives reveal is over 600 years old.
5. How to search for your ancestry and trace your family tree using the unique Merwin directory.

This collection of historical and current information is available in THE AMAZING STORY OF THE MERWINS IN AMERICA. Due to the uniqueness of the Merwin name, and the very limited edition of this book, it is economically impossible to produce extra copies after the regularly scheduled publishing date. THERE WILL BE ONLY ONE EDITION OF THIS BOOK.

I believe this is the only book of its kind in the entire world and you will want to have your own copy for you and for your children. Each book is literally hand made to order and will be serially numbered, registered in the owner's name and accompanied by a Certificate of Authenticity. The book is also hard bound with a beautiful burgundy grained finish and gold embossed.

Since this is the only time that this book will be offered, it is certain to be quite rare. There is a strict limit of one (1) book per household and the number of books produced will be officially determined by the number of qualified orders postmarked prior to August 18, 1982.

Sincerely,

Sharon Taylor

Sharon Taylor

P.S. Even though the book is printed for you alone and I believe you'll be pleased with it, if you are dissatisfied for any reason I guarantee a full and prompt refund. Please see Approval Order Form for details.

Dear Mike:

Thank you for your letter of October 5th. Enclosed is a final draft of your entry. Please give me any needed correction.

The biographies in the Supplement are a bit terse (to conserve space) and somewhat circumscribed (to follow a consistent policy).

Several people have offered testimony to Christ in their biographies. We have not included them. We do include mention of civic and church service.

I can't help but ask where you lived when you worked in Philly. I was born in Frankford Hospital and raised in Frankford. Much of it deteriorated and we moved to Montgomery County – five miles west of Chestnut Hill.

Best regards,

Dear Merwyn,

I appreciate your note of Aug 12, 1981. It is truly a "small world". As you will read, I am a sales representative of Progress Lighting.

Attached are short biographies of Jeanette's and mine. Please feel free to shorten as need dictates. Do you intend to print the biography in next edition? Can you possibly send a copy of any condensation for our perusal?

Sorry I can't write longer. I thought it best to get these papers back in the mail promptly (delayed long enough already) rather than waiting for a free evening to write a more considerate letter.

Looking forward to more communication with you.

— Michael Gaius[11] Merwin b. Nov. 11, 1951 in Amityville, N.Y.; in 1981 living at 2721 Dalewood Drive, Columbus GA 31907, a son of Clarke Trull & Frances Randolph (Fisher) Merwin. On Nov. 24, 1972, mar. in St. John's Episcopal Church, Pensacola, Fla., Jeanette Marie Reeley b. — Stephen Clarke[12] Merwin b. Jan. 23, 1976
— Anna Michelle[12] Merwin b. Aug. 6, 1978

Jeanette was previously married to Carrole A Willis of Winston Salem, N.C. (Carrole died over a year ago in a car accident). They divorced May of 1971. Their son, Christopher, was legally adopted and obtained the Merwin name soon after my marriage to Jeanette.

Biography: Michael Merwin, I was born in Amityville, N.Y. as noted above, but lived until high school age in Elmira, N.Y. After my parents divorced, I moved with my mother to Port Washington, N.Y and completed 3 years of high school there, graduating in June 1969. I started college at Cornell University in Ithaca in Sept. 1969, dropped out in Spring of 72; after completing a leave of absence starting a year earlier, at this time, April '72, I moved to Pensacola Fla where I met Jeanette and married in Nov '72. I entered the University of West Fla Sept. '73; finished my BA in Education in March 1975. I started teaching special education in the fall of '75 and taught school until June of '78, 3 years.

at which time I accepted employment with Progress Lighting as a sales representative. In January of 1980 Progress transferred me to Columbus, GA where I am presently residing.

Though not frequently included in a biography of this sort, of tremendous importance to me is my conversion to Christianity in February of 1972. This decision for the Lord has affected my life in a multitude of ways and will continue to be important eternally.

Jeanette Merwin, daughter of Wilburt and Nancy Reeley, sister to Paul G. and John J. Reeley. I was raised in Pensacola Fla and attended Escambia High School, graduated in 1965; attended Pensacola Jr. College and graduated 1968, AA degree. Then I attended University of West Fl. and graduated 1970, B.S. Physical Education. Married Carroll Willis 1969, had a ~~baby~~ ~~[illegible]~~ son, Christopher and we were divorced in 1971. I taught physical education at Oakcrest Elem for 3 yrs. then at Bellview Middle School for 3 yrs. Married Michael G. Merwin Nov. 1972. We had Stephen Clarke in 1976 and Anna Merwin 1978. Michael's job moved us to Columbus, Ga. Feb. 1980.

Dear Michael:

Thank you for your reply to my request for information. Enclosed is a rough draft of your family entry. Please give the date and place of birth (city + state) of your wife. The form is misleading on this item – looks like we need the dates of births of her parents.

On thing puzzles me. Is Christopher an adopted child? If so, please give me the names of his natural parents, if known. Perhaps your wife was married before?

May I have a brief biography of you both Schools attended, degrees, occupations, employers; civic, church or military service. (Please give the year of graduation, etc.).

Incidentally, I was born and raised in Philadelphia a few miles from where Progress Lighting is located. Was surprised to see the name + address on the envelope.

Dear Cousin:

Thank you for your family record. It is well done!

I have only one question. How do Kristine's parents spell their names? Are they Di Roma and Di Trinzo or Diroma and Ditrinzo? Not quite sure by the way you printed them.

Delighted to hear you are expecting another child. Our deadline is not pressing. I want to complete each family record as it stands now. Then before we go to press everyone will have a chance to up-date. That is some months away.

We would like you folks to join our association. Your generation must take an interest if we are to continue to grow and serve Merwins. The dues are only $2.00/year for your entire family. Please send me a check payable to Miles Merwin Assn.

Best regards,
Merwyn

I thought I had sent you the addresses of all my (5) children about 4-5 mos. ago; guess I missed this one.

Presently we are very busy getting our sailboat ready for another cruise; we'll spend the winter months in the Bahamas and then probably head North next Spring after a return visit to here, the West Coast of Florida.

Dear Folks:

Your very nice daughter, Lorraine, gave me your address and that of your other sons and daughters. What a fine, big family you have?!

I have written each of your children for information to put in the Supplement we are writing to The Merwin Family in North America.

Enclosed is a rough draft of your family's entry. Please give me any needed corrections. As you can see, I need the full date of your marriage. Also, please give me a brief biography of you both — schools, degrees, occupations, civic, military + church service.

Your help is much appreciated.

Best regards,

Merwyn

Dear Merwyn,

I was born 5th of 7 children 1/22/58. I grew up on a dairy farm which was run by my father and grandfather. I graduated from high school in 1976, Webutuck Central School. I spent one summer during college in Europe. I was a member of the 1980 Torngat Expedition, a 2 month 6 person kayak trip along the coast of Labrador Canada. I graducted from Tufts University, Medford, MA in 1980 (May) with a B.S. in mental health. I am currently employed as associate director of Lee County youth services in North Carolina. We are under the directives of community based alternatives. My main responsibilities are counseling adolescents and their families, training volunteers and working with the adventure program (a modified Outward Bound) I hope to go to graduate school in a couple of years for a psy D (Doctorate of psychology) or a MSW (Masters of social work)

I hope this biography is brief enough - feel free to edit.

My parents address is Ruth & Alan Merwin, Broadacres Farm, Millerton, NY 12546.

Dear Mr. Buchanan,

Sorry it took so long to answer, your letter just caught up with me. This isn't very complete, but I don't have the family Bible with me. I know my grandfather is in your published geneology. My parents and grandparents are still living in Millerton, NY.

Could you please send me information on purchasing the book *The Merwin Family in North America* and the supplement.

Thankyou.

Dear Mr. Skidmore:

I was indeed sorry to hear of the death of Evelyn. Must have been quite a shock, and she was a young woman.

May I bother you of a couple of details about yourself as indicated in the enclosed entry draft. These are the sort of details we need on a Merwin spouse.

Thank you for your help.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

Dear Cousin,

Now that the holidays are behind us, we are writing to remind you that your dues for our year to end June 1st have not been paid. We depend upon dues to fund "Milestones" and cover expenses such as meeting notices, address lists and correspondence so we would appreciate your continued support. Annual dues this year are $5.00.

The August issue of "Milestones" referred to our next genealogical project: An attempt to locate our immigrant ancestor's (Miles Merwin 1623-1697) place of birth and parentage. More recently a registered genealogist in England has been contracted to make a preliminary survey based upon leads which we were able to furnish. Our next steps will depend upon his results.

Please forward your dues payment at your early convenience. Any optional amount that you might wish to include to support our genealogical work would also be appreciated.

With best wishes for a happy and healthy 1985.

Sincerely yours,

Gaius Merwin

Dear Marilyn:

Thank you for your letter dated 26 March 1989. I shall be pleased to report the marriage of Bradford in the next issue of Milestones.

I am sorry to say to you that unless your married sons join our Association by May 1st, there will be nothing about them shown in Volume III of The Merwin Family in North America except their names and dates of birth.

I have written them more than once to give them the opportunity of joining and having their families included, but I have not had a single reply. I am sure your children, like mine, consider this ole fogey business of genealogy their parents' thing, but they must follow the rule to be included.

I am writing you because you have been a faithful and helpful member for about nine years. Sorry to be forced to take a stand on this, but I think you understand.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

It has been many weeks since we wrote you asking for an update on your family record and you have not replied.

We do want to include your family in Volume III of The Merwin Family in North America, but we can not do so unless you reply. If there is no change in your entry, please tell me so. It will only take a moment for you to reply.

If I do not hear from you by March 31st, your record will be filed and omitted from Volume III. You will receive no other request.

p.358 I (1190). Anson William Stow [7] Merwin b.4 Jul 1816 in Milford, CT; bap there 28 Oct 1821; d. 29 apr 1854 in Louisville, KY, a son of Anson & Claina (Tomlinson) Merwin. On 2 Jan 1841, mar. Anna L. Charles b. abt. 1818, of unknown parentage, by whom he had four sons b. in either Cincinnati, OH, or Louisville, KY:

+2350-01. George [8] Merwin b. 21 Jul 1842

2351. Anson Wellington [8] Merwin b. abt. 1844; bap. 30 Aug 1844 (First Church Milford record MC1: 3-146).

2351-01. Tharburn [8] Merwin b. abt. 1846

2351-02. Samuel [8] Merwin b. abt. 1849

Anson William Stow Merwin moved from Milford to Cincinnati, OH, in 1839 when he was recommended to the Second Presbyterian Church there (MC1-3-2:M, First Church Milford record); later he removed to Louisville, KY, where he engaged in the carriage business. The evidence that his family consisted of four sons in 1850 is shown by the 1850 US Census of Jefferson county, KY, as follows:

A.W. Merwin	33	merchant
Anne	32	
George	8	
Wellington	6	
Tharburn	4	
Samuel	1	

On p.358, Volume I, MFNA, there is a notation that Anson Wellington Merwin was bap. 30 Aug 1944 at First Church Milford, CT. Since it is unlikely that the family returned to Milford to baptize their child, the Milford Church simply recorded the event which took place probably in Louisville since Anson William Stow Merwin and his wife are said to have removed from Milford in 1839 (30 Jun 1839 MC1-3-2), and, thence to Louisville.

Dear Mrs. Buchanan,

I am enclosing the two sheets that you sent me with the corrections and updated information. I placed a carat (^) in the right hand margin to signify a change. One correction is my middle name which is LOUISE.

I was surprised to note that my father's birthplace is listed as Gardiner. He always referred to it as Bruynswyck, Town of Shawangunk. If he wrote it first, it is possible that that locality is now considered to be part of Gardiner.

Beulah Kittle Merwin, my step mother, died March 22, 1975 and is also buried in Modena, N.Y as is my father.

My father's occupation should probably be listed as: Maintenance engineer.

As to biographies for my husband and me, I shall start with my husband:

Norman L. Daggett, b. May 19, 1921 in Montclair, N.J. Served as radar officer in 8th Air Force during World War II; graduated from MIT with B.S. in Elec. Engineering. He is an electronic engineer with Interactive Data Corp. in Waltham, Mass.

Marjorie Merwin Daggett, b. Oct. 30, 1928 in Newburgh, N.Y. B.A in mathematics from Swarthmore College. Was systems programmer at MIT Computation Center til overtaken by domesticity and four children. I have been recently active in League of Women Voters, PTA's, local politics, and am a Town Meeting member.

I hope this information is helpful and I'm sorry that we may have held you up. I know how hard it is to get people to turn in their "copy" on time!

Sincerely,
Marjorie M. Daggett

Dear Cousin:

My filing system leaves much to be desired, but in reviewing my records I can find no evidence of an answer to my letter to you dated 24 June by which I asked to you to complete a family record sheet for my records.

We would, of course, welcome you as a member, but that is not a requirement of completing your family entry for our records. As a Merwin descendant, we welcome your family information in our files.

I would appreciate a reply.

Dear Mrs. Danforth:

I was sorry to learn of your mother's passing from the dues notice you returned to Gaius Merwin. An appropriate mention of her death will be included in the next issue of Milestones.

Enclosed is a family record sheet. Will you please fill it out for yourself and your immediate family? Our records show nothing except your name and date of birth. On the back of the form, I would like you to write a short biography of you and your husband - date and schools from which graduated, employer, occupation, etc. Whatever you would like.

We would also welcome you as a member of our Association. Your mother was a long time, faithful member and we would like to keep in touch with you so that future genealogical writings could update your line. As you may know, the dues are only $10 per year. Just send me a check payable to Miles Merwin Association.

I am looking forward to hearing from you.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

As you may know, we are writing a supplement to The Merwin Family in North America. Only your name and date of birth appear in that book.

Enclosed is all I know about you. Will you please give me at least a short biography of yourself and, if you are married, information about your wife. That way the supplement will contain up-to-date information about you. That is important because this is a record of Merwins and we want the record to be complete and accurate.

Your help will be much appreciated.

Best regards,

Merwyn

MS SANDRA MERWIN

JAMESTOWN NY 14701

Dear Sandra:

Thank you for thinking of me and sending information about *The World Book of Merwins.*

This book is not a genealogy as such yet it intimates that it is a genealogy in a sense. I think it is a scam taking advantage of people who are interested in their family origin. Instead of being hot of the press as claimed. I received this same ad a couple of years ago.

You can buy a book of this sort on many family names. I was solicited for the Buchanan family name as well as Merwin. I wrote this Webster C. Merwin and invited him to join our association if he could prove his descent from Miles[1]. He replied admitting that there was no such name as Webster C. Merwin. He was just using that for bait.

Perhaps the names and addresses listed in the book could be used for searching for Merwin cousins, but I suspect many addresses are phony. Also, to use such a listing for a search would be quite expensive and time-consuming.

This outfit is not the only one doing this sort of thing. Another outfit in Ohio did it and misled people to think it was a genealogy that the person was dragged into court and fined.

Merwyn R. Buchanan

Dear Sally:

Sandra Merwin reported your husband's death to me, and Charles Merwin sent me a copy of *Chautauqua Choir Notes* which provided us with his obituary. I am sorry to learn of your great loss.

I note that you have dropped your membership in our Association. We are in danger of losing track of your family since neither Michelle or John have been members. In the hope that one of them will be interested in reassuming contact with the Association, I am enclosing an Association brochure and a Merwin Family Record form. Perhaps you would be good enough to pass these on to one of your children. I am looking forward to hearing from them in the near future.

Dear Cousins:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

A brief biography along the lines suggested below would be appreciated.

Best regards,

Merwyn

Dear Edward:

A dues notice was forwarded to me indicating that you wish to join our Association.

A basic requirement of membership is that an applicant prove his descent from Miles[1] Merwin. This notice does not give me your lineage. I suspect that you are a son of Edward John Merwin of Richmond and grandson of Owen Thomas Merwin. Correct?

Please fill out the enclosed Merwin family record sheet for yourself and immediate family. If I am incorrect in your lineage, please give me your descent back for a couple of generations so I may tie you in.

Dear Cousin:

The Association year will close at month end which means that it is the time for membership renewal.

As set forth in the recent Association booklet sent to all members, our Association's beginnings go back to 1957. So for 40 years with your support together with that of others who have gone before us, the Association has been gathering the family genealogical history (much of which has been published as listed on the enclosed form), issuing _Milestones_, holding reunions, etc. While the Board has tried to keep dues at a reasonable level so to encourage membership, some members generously carry their membership at the sustaining member level which is very helpful. On the other hand voluntary contributions support a large part of our genealogical effort plus special projects such as last month's Association booklet.

Whatever level of support you choose, rest assured that your support will play an important part in the future of the Association. Please return the enclosed membership form with your payment at an early opportunity.

Sincerely,

Gaius W. Merwin

Dear Martha:

Your mother gave us some information about Bryan's marriage to Caryn on 29 March 1997.

Enclosed is a Merwin Family Record sheet. Would you please ask Bryan and Caryn to fill this out on both sides and return it to me? Then we will have all the information we need for an announcement in Milestones and for our genealogical records.

Many thanks.

Thank you for your letter of 3 January.

You wrote it to Charles Merwin at my address. I was pleased to hear from you since I would like your additions or corrections to the enclosed entry. We need this update for Volume III of The Merwin Family in North America which we are currently preparing. May I have your comments?

In the meantime, I shall dig through our records and see if I can find the Merwin family coat of arms. Understand we can not say this is authentic since no one knows for sure. One of the Merwin researchers found the one we have and a copy is somewhere in our records. I shall find it and send you a photocopy.

Dear Mr. Merwin[1]:

I am trying to find a copy of the Merwin family crest - if there is one - so I can have it inscribed in a signet ring. I have checked a few books on Heraldry but so far I have been unable to locate our crest.

I would appreciate any help you can give me.

Thanks for your interest.

Sincerely,

James G Merwin

For the past several weeks, we have been sending Merwin Family Record forms to all tenth generation Merwins shown in the index of the *Merwin Family in North America*. These forms are sent in an effort to rewrite the tenth generation chapter and add the eleventh, twelfth and thirteenth generations in a supplement to MFNA.

We have found certain persons on our mailing list who are members of our association but we can not find their names in MFNA. You are one of those people. Will you please fill out the blank record form enclosed and return it to me. Show your line back to a MERWIN in MFNA or back to MILES' MERWIN.

We are determined to list all members of the association in the supplement. Please help by making your reply as complete as possible.

Sincerely yours,

Merwyn

Dear Cousins:

As you know, we are writing Volume III of The Merwin Family in North America.

We are looking for persons who were single when Vol. II was published who have since married. Would you please give me the address and phone number of Jonathan, Sally, Jennifer or Charles Patrick if they are now married?

Your help will be most appreciated. We want to get in touch as soon as possible since we are approaching publishing deadline.

Best regards,

Merwyn

Dear Cousin:

Thank you for the information that Jonathan married Karen on March 9, 1985. Perhaps you would give me a bit more information.

I need Karen's date of birth, place of birth, her parents' names including the maiden name of her mother. Also where they were married - town and state. I presume it was in Albuquerque.

When I get this info, I'll put a notice in the next Milestones which should be out in August.

Best regards,

Merwyn

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

Best regards,

Dear Cousin:

During the summer, I stopped to see your mother during a trip through the Catskills. She gave me some information about your family for the Supplement we are writing to The Merwin Family in North America (published in 1978).

She said she would ask you to give me a biography of your father and information on yourself. Since I have not hedrd from you, I thought I would send you the unfinished draft of your family entry and a family record sheet for you. Will you please complete these or correct them as needed. Your help is much appreciated.

Please give your mother my best.
